

# Sponsorship Opportunities

The Central Montana Reined Cowhorse Association is an affiliate organization of the NRCHA dedicated to promoting the training and showing of reined cowhorses in a fun, family-friendly environment. We organize NRCHA sanctioned shows in Montana, fostering a community of great people and talented horses competing in the most exciting equestrian event. We are actively seeking sponsorship partners to support our mission and grow the organization. Join the fun!

## Levels of support

### *Saddle Sponsorship* – \$2,000

Leave a lifetime impression on our membership by sponsoring a saddle for year end awards! In addition to your logo being tooled on the award saddle, this level includes a banner in the show arena that we provide, live mentions at shows, advertising on show livestreams, and recognition on our website and social media.

### *Title Sponsorship* – \$1,500

Put your brand on display with naming rights for one of our four horse shows! Additionally, we will provide a banner to be featured in the show arena, live mentions from the announcer, promotion on our website and social media, and advertising on any show livestreams.

### *Class Sponsorship* – \$500

This level ties your brand or name to one of the horse show classes at our shows. In addition, you will get live mentions at all horse shows, promotion on our website and social media, and a banner that you provide displayed at one of our four shows.

### *Crassroots Sponsorship* – \$150

Every contribution, no matter the size, makes a meaningful impact. This level gets your logo on our website, social media promotion, and a listing on our website brand directory.

Please send all contributions to CMRCHA Treasurer Dave Clark. Make checks payable to CMRCHA.
